About Us

Zhongshan Chunkai Electronics Co., Ltd. locates in Zhongshan, Guangdong, was specialized in developing and manufacturing small home appliance. As a professional manufacturer, we have 12 years' experience to focus on the produce & sales of electric fans, heaters and small home appliance. We supply the good quality products and deliver on time. In order to meet the requirements of our customer orders, we set up professional production lines, sales teams, perfect management system and continually research & develop new design products. To ensure the quality and shipment, Chunkai owns hardware workshop, stamping workshop, motor workshop to produce the main components in house. Chunkai has own testing lab with many advanced testing equipment to perform ISO9001 quality system, products are with ETL, CB, CE, EMC, LVD, ROHS, REACH, GS, PAHS and Erp certifications. The innovation ability and the competitive prices enhance

our company establish long term friendly relationship with customers from Europe, USA, Latin America and Asia. Our final goal is win-win business cooperation and the eternal force of our pursuit to excellence. The lasting development and pursuit is to provide complete, accurate and detailed service to our customer.
